Dear Mr. Weisberg:

Here is your copy of my dissertation. I hope you enjoy it and most of all feel that I contributed something of significance to the history of this sad event. You might disagree with some of my statements in Chapters One and Two, but I think you will find that my overall conclusion only supports your "whitewash" theory even further. Happy reading!

Also enclosed is an article from a "scholarly" journal in my field that I found recently and feel that it is one of the more accurate ones I have read that mentions the Warren Commission. Let me know what you think of my dissertation and of the article. Thank you again for making my dissertation and Ph.D. possible.

Best Wishes,

Bruce McKinney
